

WELCOME!

We are SIMESPI- Union of Metal, Mechanical Industries, Electrical Materials, Electronic Materials, Steel Industries and Foundries of Piracicaba, Saltinho and Rio das Pedras. We have been side by side with industries of the metal-mechanical sector for nearly 30 years. We have searched for assertive solutions by means of free services, consulting, training, lectures and, mainly by facing the challenges of the segment. Our work aims at the evolution of our member companies so that they can generate business, broaden markets, and follow the trends of the sector. Join us!

SAFE AND STABLE REPRESENTATION

The Industry Collective Labor Convention has been held by Simespi since 1995. The standard agreement signed by the Workers' Union registers parameters for work relations with the assertiveness and stability that the sector needs to evolve continuously. Join us and strengthen this cause!

TEAM QUALIFICATION

Simespi Courses are taught by working instructors, with subjects and content pointed out by member companies in the annual survey to provide tools for better performance and industry success. The curriculum is complete in various enterprise areas.
